

Day \_\_\_\_\_

# Assessing Student Knowledge

**Thematic Unit:** \_\_\_\_\_ **Curriculum Areas:** \_\_\_\_\_

**Lesson Title:** \_\_\_\_\_ **URL of Website:** \_\_\_\_\_

## Four Kinds of Standards

- Concepts and Information (what students should know)       Communication (how students can articulate concepts)  
 Skills (what students should be able to do)       Transfer (how students can apply information and skills)

<b>Learning Standard</b>	<b>Learning Objective</b> (should match the Learning Standard)	<b>Activity Description</b> (how student learning will achieve the learning standard)
Reference Number of Standard:	Type what is objective for student learning:	Type activity description here
<b>Assessment</b> (measures how well student learning achieves the learning standard)		
Type assessment tool used to measure student learning:
